Re: SenoRx, Inc. v. Coudert Brothers LLP

Dear Mr. Denniston:

Please voluntarily appear for the California defendants in this case, as you have chosen to do for the non California defendants.

If we have to personally serve all of the (uncooperative) California defendants it will result in huge time and expense and possible embarrassment for those who have to be served at work. None of the California defendants returned the original notice of acknowledgment letter when the summons and complaint was originally mailed to them. My experience dictates that this will add a huge expense on the already large cost bill which will ultimately be borne by your clients.

Please let me know by the end of business on July 20.

Thank you for your cooperation.

Very truly yours,
